I am pleased to offer my recommendation for William Noyes. William has been employed by Gainjet as captain on our G-550 for the past 12 months. It is unfortunate that after his 65th birthday, William will be unable to continue to fly charters under our certificate.

William is a highly capable pilot and enthusiastic employee who maintains a good working relationship with our management, flight and ground staff.

He would be an asset to any flight operation and you would be fortunate to have him onboard. Please feel free to contact me if you have any questions regarding William.

Sincerely Yours

Capt. Ramsey Khdair
